

THE TRAINING FOX

## Our External Linking Approach

*The Training Fox* include links to external websites throughout our site. We have carefully selected links that are relevant to our courses, and to aid our customers with sources of further information. Although we make every effort to ensure these links are accurate, up to date and relevant, *The Training Fox* cannot take responsibility for pages maintained by external providers. If you come across any external links that don't work, we would be grateful if you could report them to [contactus@thetrainingfox.co.uk](mailto:contactus@thetrainingfox.co.uk).

We do not link to external sites in return for cash, services or any other consideration of any kind. Purely on merit of the information that the site can offer our customers.

External links are selected and reviewed when the page is selected and published on our site. However, *The Training Fox* is not responsible for the content on external websites. This is because:

- ✂ *The Training Fox* does not produce them nor maintain/update them,
- ✂ *The Training Fox* cannot change them,
- ✂ They can be changed without *The Training Fox's* knowledge or agreement.

The inclusion of a link to an external link from [www.thetrainingfox.co.uk](http://www.thetrainingfox.co.uk) should not be understood to be an endorsement of that website or the site's owners (or their products/services)
